ABOUT THE INSTITUTION

Meston College of Arts and Science is committed to quality education that combines academic excellence with real-world application, shaping confident and career-ready individuals. Established in 1818 as a school, the institution has a rich legacy and has evolved into a centre for B.Ed. and M.Ed. education for over 80 years. Today, it begins a new chapter as a state-of-the-art institution with modern facilities, offering undergraduate programmes for the future.
